Article 1: Applicability

1.1 These General Terms and Conditions of sale and delivery shall apply to all offers, quotations and contracts made by Rable Group BV (hereinafter RABLE) in which RABLE undertakes to deliver products to the Client.

1.2 The applicability of general conditions of the Client or any other general conditions is expressly rejected.

1.3 Departures from these General Terms and Conditions will only be valid if expressly agreed to in writing by RABLE.

1.4 In the event of any conflicts between the substance of the agreement concluded between the Client and RABLE on the one hand and these General Terms and Conditions on the other, the provisions set out in the agreement have precedence.

1.5 Wherever these General Terms and Conditions use the term in writing, this shall mean by document signed by parties, or by letter, fax, electronic mail and by such other means as are agreed by the parties.

1.6 Insofar as these General Terms and Conditions are also drawn up in a language other than English, in the event of any conflict the English text shall always prevail.

Article 2: Offers and conclusion of agreement

2.1 No obligations are attached to any offers, even if they contain an acceptance period.

2.2 If the Client supplies RABLE with data, drawings etc., RABLE may rely on their accuracy and shall base the offer on that information.

2.3 An agreement shall come into effect once RABLE has confirmed the order in writing.

2.4 Any offer made or undertaking given by a representative of RABLE shall only be binding insofar as the latter confirms this in writing.

2.5 In the event that agreement is reached to effect payment by means of a letter of credit, the agreement concerned shall only come into effect once RABLE accepts the relevant irrevocable (confirmed) letter of credit at sight in writing. This letter of credit will be opened by a bank subject to the acceptance in advance by RABLE.

Article 3: Prices

3.1 All prices for Products are stated in Euros on an Ex Works (Incoterms 2020) basis, and are payable in Euros. All amounts payable pursuant to an Agreement are stated exclusive of any VAT, excise and export/import duties, and other taxes and levies, all of which (other than taxes levied on RABLE's income) are payable by the Client unless expressly agreed otherwise in writing between the Parties.

3.2 Any price cited by RABLE shall be based on the existing monetary conditions, labour costs, procurement prices, duties, taxes and other levies, subsidies and the like prevailing at the time the agreement concerned is concluded. In the event that one or more of these cost price

components increase after conclusion of the agreement but before the relevant product(s) have been delivered, RABLE shall be entitled to pass on any reasonable price increase to the Client.

3.3. If the Client provides goods and RABLE is prepared to use those goods, RABLE may charge up to 20% of the market price of the goods provided.

Article 4: Intellectual property rights

4.1. Unless agreed otherwise in writing, RABLE retains all intellectual property rights to all offers, designs submitted, illustrations, drawings, trial models, programs, etc.

4.2. The rights listed in Article 4.1 remain the property of RABLE, regardless of whether costs have been charged to the Client for their production. The relevant information may not be copied, used or shown to third parties without RABLE's explicit prior consent. The Client will be liable to pay RABLE a penalty for each instance of violation of this provision, to the amount of € 25.000,-. This penalty may be demanded in addition to any compensation damages awarded by law.

5.5 The Client may examine (or arrange for the examination of) the materials that RABLE intends to use before they are processed, at the Client's own expense. Any damages incurred by RABLE as a result are for the Client's expense.

Article 6: Delivery

6.1 The delivery time stated by RABLE shall under no circumstances be deemed to constitute a fatal date. RABLE shall not be in default in respect of such delivery time until the Client notifies it in writing that it is in default, in doing so stipulates a reasonable period of time within which RABLE has the opportunity to effect delivery, and the latter still fails to do so.

6.2 In determining delivery times, RABLE assumes that the engagement can be carried out under the circumstances as they are known to RABLE at that moment.

6.3 Delivery times do not commence until the relevant agreement is concluded in accordance with the provisions of Article 2, the Parties have agreed on all commercial and technical details, all necessary data, final and approved drawings, etc. are in RABLE's possession, the (pre)payment or instalment agreed has been received, any security for payment has been accepted and the conditions necessary for the performance of the engagement have been met.

b. In the event of contract extras, the delivery time will be extended by the time required to supply (or arrange for the supply of) the materials and parts necessary for those contract extras and to carry out the contract extras.

c. In the event that RABLE's obligations are suspended, the delivery times will be extended by the duration that the obligations are suspended.
